On the designated day and time, the Financial bid of only those bidders who have passed the TQ shall be opened. The bidder quoting the Highest NRS (in the Price Bid Format at Annexure-2) shall be declared the successful bidder. **The work will be awarded to the Successful Bidder in the form of Purchase Order (PO) only after award of work from the client and the terms and conditions for the work including the completion period and quantum of work shall be governed by the customer's order to CEL.**

PO/Work order will be issued to the successful bidder for the amount which will be calculated after reducing CEL Net Revenue Share(NRS) from the PO/Work order issued to CEL by the customer. For. eg. if the customer price to CEL is P (excluding GST) and the NRS of the successful bidder is N percent then the PO value of the successful bidder excluding GST will be calculated as follows:

$$P \times [(100-N)/100]$$

19. Other Important Guidelines:

- a. All the techno- commercial terms will be on back-to-back basis i.e. as per Terms & condition received by CEL in its PO/Work Order from the customer.
- b. Cost of Bidding: The Bidder shall bear all costs associated with the preparation and submission of its bid, and the Purchaser will in no case be responsible or liable for those costs, regardless of the conduct or outcome of the bidding process.
- c. Any terms & conditions of general terms contradictory with special terms & conditions, the general terms & conditions will be superseded by the special terms & conditions.
- d. If there is any due against the contractor under any other contract with CEL, CEL stands authorized to appropriate the amounts payable under this contract against the same.
- e. CEL shall be authorized to have a lien over the equipment, machinery, raw materials brought by the contract or at the site for execution of the contract, if some amount is payable under the contract by the contractor and is not so paid.
- f. CEL reserves the right to waive minor deviations and add minor modifications if they do not

materially affect the capability of the bidder to perform the contract.

- g. It will be the responsibility of the contractor to train and educate the ultimate user for handling and operating the equipment free of cost.
- h. It will be the sole responsibility of the successful bidder to provide the following documents to CEL or any other document required for filling the customer Tender or meeting customer requirements:
 - i. Item-wise price for the BOQ items matching the overall quoted price.
 - ii. Manufacturer Authorization Form (MAF).
 - iii. Technical Compliance documents.
 - iv. In case of product demonstration, it will be the successful bidder's responsibility to arrange the same without any cost to CEL.
 - v. All Techno- commercial documents as required by the customer.
 - vi. Project Plan/Timelines & drawings required to complete the project within given completion period will be the part of purchase order. This shall be strictly adhered to by the successful bidder.
- i. Additional work may be required to be carried out according to the actual site conditions. Any item/Work, which is not specifically mentioned and not paid by customer but necessary for making the system functional, shall be deemed to be included in the scope of the work of the vendor and shall be supplied and installed without any extra cost to CEL.
- j. In case any terms and conditions are not mentioned in this tender, then the terms & condition of the empanelment will be applicable.
- k. MSME Act 2006 and its amendments may not be applicable on this works contract mentioned in this tender.

20. Liquidated Damage (LD) and Penalty: LD and Penalty as Levied by CEL's customer would be levied on the bidder. However, CEL reserves the right to impose upon the vendor/successful bidder LD value up to 10% of its P.O. value irrespective of the LD imposed or not by the customer on CEL should the vendor satisfies the LD conditions as applicable.

(THESE ARE NIC'S INSTRUCTIONS AND NOT A PART OF THE TENDER)

Instructions for Online Bid Submission:

The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid DigitalSignature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal.

More information useful for submitting online bids on the CPP Portal may be obtained at: <https://etenders.gov.in/eprocure/app>.

REGISTRATION

1) Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal (URL: <https://etenders.gov.in/eprocure/app>) by clicking on the link “**Online bidder Enrollment**” on the CPP Portal which is free of charge.

2) As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.

3) Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.

4) Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / nCode / eMudhra etc.), with their profile.

5) Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSC's to others which may lead to misuse.

6) Bidder then logs in to the site through the secured log-in by entering their user ID / password and the password of the DSC / e-Token.

SEARCHING FOR TENDER DOCUMENTS

1) There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, Organization Name, Location, Date, Value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as Organization Name, Form of Contract, Location, Date, Other keywords etc. to search for a tender published on the CPP Portal.

2) Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective 'My Tenders' folder. This would enable the CPP Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.

3) The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

Tender Notice No. C-2(b)/RC/0500/2526/0058

PREPARATION OF BIDS

1) Bidder should take into account any corrigendum published on the tender document before submitting their bids.

2) Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents - including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.

3) Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF/JPG formats. Bid documents may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document.

4) To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use "My Space" or "Other Important Documents" area available to them to upload such documents. These documents may be directly submitted from the "My Space" area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

Note: *My Documents space is only a repository given to the Bidders to ease the uploading process. If Bidder has uploaded his Documents in My Documents space, this does not automatically ensure these Documents being part of Technical Bid.*

SUBMISSION OF BIDS

1) Bidder should log into the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.

2) The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.

3) Bidder has to select the payment option as "offline" to pay the tender fee / EMD as applicable and enter details of the instrument.

4) Bidder should prepare the EMD as per the instructions specified in the tender document. The original should be posted/couriered/given in person to the concerned official, latest by the last date of bid submission or as specified in the tender documents. The details of the DD/any other accepted instrument, physically sent, should tally with the details available in the scanned copy and the data entered during bid submission time. Otherwise the uploaded bid will be rejected.

5) Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. If the price bid has been given as a standard BoQ format with the tender document, then the same is to be downloaded and to be filled by all the bidders. Bidders are required to download the BoQ file, open it and complete the white coloured (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the BoQ file is found to be modified by the bidder, the bid will be rejected.

Tender Notice No. C-2(b)/RC/0500/2526/0058

6) The server time (which is displayed on the bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.

7) All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128 bit encryption technology. Data storage encryption of sensitive fields is done. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid opener's public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.

7) The uploaded tender documents become readable only after the tender opening by the authorized bid openers.

8) Upon the successful and timely submission of bids (i.e. after Clicking "Freeze Bid Submission" in the portal), the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.

9) The bid summary has to be printed and kept as an acknowledgement of the submission of the bid. This acknowledgement may be used as an entry pass for any bid opening meetings.
