6.3	Packaging and Transportation
	The Bidder/Supplier shall be required to meet all Packaging, transportation, and storage Expenses

6.4	Taxes and Duties
	- The Supplier shall be entirely responsible for payment of all Taxes, Duties etc. incurred until delivery of the contract goods to the Consignee subject to recovery afterwards in the bill as claimed in the Bid offer. - GST/S-GST/C-GST as applicable is payable to the suppliers of the State of Tamilnadu if claimed in the Bid offer. C.GST will be paid to the Suppliers of the outside State other than Tamilnadu, if claimed in the Bid offer. - Entry Tax, if paid by the Supplier, at the local (destination head) Corporation / Municipality / NAC is allowed only on production of money receipt for such payment, and only if mentioned in the Bid offer. In absence of any claim of Entry Tax in the Price Bid, it will be presumed that Entry Tax is inclusive. - Any other statutory levy imposed by the Govt. of India / Govt. of Tamilnadu from time to time will be considered extra on demand with adequate proof thereof.
6.5	Warranty Period: the quoted price should be inclusive of 1-year warranty from the date of installation prolonging until commercial production. AMC to be provided for period of 1 year inclusive in the price quoted.
6.6	Incidental Services
	The supplier shall be required to provide any or all of the following services: (The cost should be included in the quoted Price) - Furnishing of detailed literature / pamphlets / circuit diagram / Operation & maintenance manual / drawings 1 hardcopy and 2 soft copies (as applicable). - Furnishing of tools required for maintenance of the equipment. - Performance or supervision of on-site assembly. - Performance or supervision or maintenance and / or repair of the supplied goods, for a period of time agreed by the parties, provided that this service shall not relieve the supplier of any warranty / guarantee obligations under the contract. - Bidder will be responsible for providing compensation in respect of damages to both men & material during execution of contract. - Training of the Purchaser's personnel till satisfaction level at the site of operation, maintenance and / or repair of the equipment and instruments. - A maintenance contract for the equipment and instruments if required by the user beyond the warranty period shall be on mutually agreed upon terms between the user and supplier. The cost of such maintenance contract shall not be included in the Bid cost.
6.7	Period of Validity of Bids
	- The bid prices should be kept valid for a period of 3 months from the date the opening of the price Bids. - A bid valid for a shorter period i.e less than 3 months shall be rejected, as non-responsive. - In absence of any indication of the date of validity in the bid, it will be presumed that the offer will remain valid for the minimum period i.e 3 months as prescribed above. - In exceptional circumstances the purchaser may solicit the bidders' consent for extension of the period of validity without affecting other conditions.
6.8	Commissioning Period
	Commissioning period as mentioned in clause 6.1 will be adhered to. And within 1 month of the delivery of machinery on site.
6.9	CODES & STANDARDS
	Except where modified by this specification, the equipment and instruments shall be designed, manufactured, and tested in accordance with the latest editions of the standards. The Bidder may propose alternative standards, provided it is demonstrated that they give a degree of quality and performance equivalent to or better than the referenced standards. Whether to

	accept or reject any alternative standard shall be adjudged by the Purchaser. The Bidder shall furnish a copy of the alternative standard proposed along with the bid. If the alternative standard is in a language other than English, an English translation shall be submitted with the standard.
6.10	Award Criteria
	• <i>The price is not the only criteria for awarding contract.</i> Successful Technical Bid offer are only will qualify for the price bid • Quality, durability and adaptability of the goods offered suiting to the purpose shall continue to be the overriding factor for selecting the same and determining the lowest evaluated bid. • The purchaser shall award the contract within the period of validity of bids to the Bidder who meets the Bid condition in all aspects, has the necessary technical and production capabilities and financial resources whose Bid is substantially responsive to the bid conditions and has offered the lowest evaluated cost.
6.11	Penalty against late delivery
	If supply of materials / equipment, installation & commissioning is delayed beyond the schedule as stipulated in the work order, then the successful bidder shall be responsible and liable.
6.12	Penalty against Non-Supply
	In case of non-completion within the due date i.e., within the date of completion, the performance security is liable for forfeiture.
6.13	Penalty against machine break down
	In case of any breakdown during warranty and AMC period, lead time for remote assistance is 24 hours. Personal assistance to be provided within 3 days of registering the complaint. Routine spares to be replaced within 3 days and special spares by 10 days. Nonadherence to this will attract a penalty, machine hours at the market rate for every 12 hour /calendar day
6.14	Demonstration
	The bidders may be required to demonstrate the operation of the equipment and instruments to the satisfaction of the purchaser if required, at the end of the contract.
6.15	Force majeure
	The Supplier shall not be liable for forfeiture of its performance security, liquidation damages or termination for default, if and to the extent that, its delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force majeure. For purposes of this Clause "Force majeure" means an event beyond the control of the Supplier and not involving the Supplier's fault or negligence and not foreseeable. Such events may include, but are not limited to, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes. If a Force Majeure situation arises, the Supplier shall promptly notify the Purchaser in writing of such conditions and the cause thereof. Unless otherwise directed by the Purchaser in writing, the Supplier shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the force majeure event.
6.16	Rejected items
	No payment shall be made for rejected supplied items. Rejected items must be removed by the bidders within two weeks of the date of rejection at their own cost and replaced immediately. In case these are not removed these will be auctioned by the purchaser (at the risk and responsibility of the suppliers) without any further notice.
6.17	Bid Disqualification: Bidders shall at no point of time will approach Purchaser or their representative directly or indirectly with a intention to influence the bidding process, progress of the work, payments etc. and it may result in cancellation of the bid at any point of time and the bidder will be black listed.
7.0	Governing Language

	The contract shall be written in English language. All correspondence and document pertaining to the Contract which are exchanged by the parties shall be written in English language
8.0	Applicable Law
	The Contract shall be interpreted in accordance with the laws of the Govt. of India.
9.0	Notification of Award
	• Purchaser will notify the successful Bidders in writing by registered letter or email. • The notification of award will constitute the formation of the Contract.
10.0	Signing of Contract
	At the same time as the Purchaser notifies the successful Bidders that his bid has been accepted, the Purchaser will send the Bidders the Contract Form provided in the bidding document, incorporating all terms and conditions of the agreements between the parties within Fifteen (15) days of receipt of the Contract Form, the successful Bidders shall sign and date the contract and return it to the Purchaser.
11.0	Resolution of Disputes by Arbitration
	The Purchaser and the Supplier should try to resolve the disputes, if any, arising out of the contract, amicably between them, failing which the same shall be referred to the Secretary to Government (MSME), TANSIDCO - Government of Tamilnadu, and MSME DFO-Chennai / Coimbatore, for adjudication as the sole Arbitrator under the provisions of the Arbitration and Conciliation Act, 1996 whose decision will be final and binding on all the parties to the dispute.
12.0	Jurisdiction of the Court
	The Purchaser and the Supplier shall agree that the competent Court at Tiruppur shall have the jurisdiction to try and decide anything between the parties and they may approach the Competent Court at Tiruppur if required at any time.
