Skill Verification Program

This is regarding NSDC's ongoing G2G collaboration with the Kingdom of Saudi Arabia (KSA) – [Skill Verification Program \(SVP\)](#).

SVP aims to verify that professional workers possess the required qualifications and skills to perform their professions in the KSA. It is through a competency-based exam (theoretical and practical) in their respective fields of specialisation contributes to raising the quality of skill levels.

In this regard, Takamol Holdings Pvt Ltd. (under the Ministry of Human Resource and Social Development, KSA) has collaborated with NSDC to implement the program in India. The target audience is Indian Skilled workers willing to work in Saudi Arabia across targeted occupations.

Please note that both NSDC and TakaMol are looking to onboard credible and quality testing centres across preferential states as under:
