BACKGROUND

Rani Channamma University, Belagavi (RCUB) has been established in the year 2010 by the Government of Karnataka by effecting an amendment to Karnataka State Universities' Act 2000 by upgrading the erstwhile Karnataka University Kittur Rani Channamma Post Graduate Centre at Belagavi, which was functioning under the aegis of Karnataka University, Dharwad since 1982. Named after the eponymous queen Rani Channamma of Kittur, the first woman freedom fighter of India

RCUB being a very young University. It is the largest University in the state engulfing the jurisdictions of Belagavi and Vijayapura districts with a distinct academic profile, blending in itself commitment to rural ethos and a modern spirit, and catering especially to the students of North Karnataka. Currently with 351 affiliated colleges, 6 autonomous colleges and a student enrolment of approximately 1.40 Lakhs. At present, RCUB has 21 Post-Graduate Departments functioning within the domains of 4 Schools with more than 2000 students. University is also offering 4 Diploma Programs and 01 certificate course in Yoga. Around 272 research scholars are pursuing their Ph.D., and more than 414 Ph. D., degree have been awarded under various Schools

In Karnataka, lot of students will come out to seek jobs after graduation. With right skills, individuals can find better employment opportunities reducing unemployment rates and improve standards of living. To help these students to get proper job, the university intends to get funds from Skill Mission, Social Welfare Department and other Govt. agencies and support students through free courses which are funded by Govt., Semi-Govt. and Private agencies. And also, the University intends to offer online and classroom (Offline) classes. In this connection the University is in the process of providing free (Govt. funded and other) and paid coaching and training through Online and Classroom (offline) mode for different industry job roles requirements and **Career Guidance and Counselling** and **Soft Skills** for our present and past students and general public. In this connection the University intends to invite Expression of Interest (EoI) for identifying a 'Skilling Partner' from private agencies for the purpose of implementing free and paid, online and Classroom (offline) coaching and training for present and past students and general public.

3. SCOPE OF WORK

Skill development at Rani Channamma University (RCU) in Karnataka focuses on enhancing both academic and practical competencies among its students. Here are some key aspects of skill development at RCU:

1. **Academic Excellence:** RCU emphasizes rigorous academic training across various disciplines; ensuring students acquire a solid foundation of knowledge in their chosen fields.
2. **Industry-Relevant Skills:** The University strives to bridge the gap between academia and industry by offering skill development programs that are aligned with current industry requirements. This includes workshops, seminars, and training sessions conducted by industry experts.
3. **Soft Skills Development:** RCU places significant importance on developing soft skills such as communication, leadership, teamwork, and problem-solving abilities. These skills are crucial for enhancing employability and career growth.
4. **Research and Innovation:** The University encourages research-oriented skill development through projects, dissertations, and collaborations with research institutions and industries. This fosters a spirit of innovation among students.
5. **Entrepreneurship:** RCU supports entrepreneurial skill development by providing incubation centres, startup mentorship programs, and workshops on business management and entrepreneurship.
6. **Internships and Practical Training:** To provide practical exposure, RCU facilitates internships and industrial training programs with reputed organizations. This hands-on experience helps students apply theoretical knowledge in real-world scenarios.
7. **Continuing Education:** The University promotes lifelong learning through continuing education programs, short-term courses, and certifications to keep students updated with the latest advancements in their fields.
8. **Career Guidance and Placement:** RCU offers career counselling, placement assistance, and networking opportunities to help students transition smoothly from academia to the professional world.

By focusing on these aspects, RCU aims to equip its students with a comprehensive skill set that prepares them for successful careers and contributes to societal development.

In this connection, the University intends to invite Expression of Interest (EoI) for identifying a 'Skilling partner' from private agencies for the purpose of implementing NSDC Skill hubs in the institutions for present and past students of the University and for general public

The selected 'Skilling partner' is responsible for implementing all the industry relevant job roles and Soft Skills Training as per the guidelines of PMKVY 4.0

The University is also looking for a 'Skilling partner' to help the university in the implementation of Sector Skill Specific job roles through online and classroom coaching and training mode, benefitting all the present and past students, faculties and staff of the University, outside students, unemployed youth, school and college dropouts, needy persons, job seekers, job holders, housewives, and persons with disabilities, and people from backward regions.
